Lenny Zarcone Show

THURSDAY, DECEMBER 6TH AT NOON
Everyone is invited—Admission is free!

Come join us at noon on December 6th at Leyden Town Hall for music, mime, comedy, sing-alongs and fun with comedian and musician Lenny Zarcone.

With humor and warmth Lenny will tell stories, jokes and sing the songs of Bing Crosby, Frank Sinatra, Elvis and more. All town residents are invited to attend, so come and join us for this fun event.

A light lunch will be served.

This event is sponsored by the Leyden Council on Aging and the Leyden Cultural Council and will replace the monthly Council on Aging meeting. For more information call Paula Sayword or Karen Sims at 774-3897.

This project is sponsored by a grant from the Leyden Local Cultural Council, a local agency that is supported by the Massachusetts Cultural Council, a state agency.

Robertson Memorial Library

Library Hours: Monday 1:00 – 6:00 PM; Wednesday 1:00 – 6:00 PM, and
Saturday 10:00 AM to NOON Phone 773-9334 (Leave a message any time.)

On Monday, October 22nd, small groups of students, accompanied by their teachers and aides, hiked up Greenfield Road from PRES to visit the library and to sign out books. What a wonderful morning we had! Polite, friendly, cooperative are words that describe the student body of Leyden's Elementary School. Searching for a good book was followed by time spent outside perusing their novels while nibbling on a healthful snack. In good spirits and laden down with their books, each group tromped back down the hill to recess and lunch. What fun!

Rain water has been finding its way into our inner chimney walls, but Trustee Carolyn Asbury has worked to locate the cause of the problem and eliminate it once and for all. These little repairs cost money, so be sure to donate when you can to keep this little library pristine and healthy. Every little bit counts.

Once again we have been blessed with funds from the state to support the library. Although it is less than half the money accorded to us before the recession, this allotment will help us to maintain the library and provide you with the best of books, DVDs and CDs. Be sure to visit and borrow from your town library. *No fees and no charges* make this a great deal!

We await news from the Leyden Cultural Council regarding a grant I wrote to bring author Amy Gordon to PRES in the spring. I'll keep you posted.

Plans continue for our centennial year celebrations. Ginny Rockwood is still collecting recipes, so bring them to me at the library or to her at her home, and she'll begin the process of publishing. Cindy LeBlanc is putting the finishing touches on her reading selections commemorating 1913. Look for short, interesting articles to share with your families commencing in the January issue of *Leyden Life*.

I hope your Thanksgiving was filled with good food and good friends. Best wishes for a wonderful Christmas and holiday break!
—Chris Johnston

Holiday Craft Fair

The second annual Homegrown Holiday Craft Fair featuring 20 artists and crafters will take place on Saturday, December 15th from 10:00 AM to 5:00 PM at Leyden Town Hall. There will be a corn husk doll-making workshop at 11:00 AM, a wreath-making workshop at 12:00 NOON, a clay bird-making workshop at 1:00 PM and a Native American concert with "Medicine Mammals" at 2:00 PM, food, raffles, music, and more! Please come to support local artists and to see your friends.

Please call Rhonda at 624-5175 or email at rhondawain@verizon.net if you would like to be a vendor, performer, or promote your local business.

Pastel Impressionist Workshop

On Tuesday, December 18th from 6:00 to 8:00 PM "Que Sera, Seurat: How to Pastel Paint Optically with Color," a pastel workshop, will be presented by Gregory Maichack downstairs at Town Hall. The workshop will provide insights into Pointillism, Seurat's and Signac's working methods in Neo-Impressionism. Mr. Maichack demonstrates how to use pastels in any style, coaching participants as they attempt their own pastel paintings. All materials are provided, including pastels and paper. This workshop is appropriate for adults.

"It's amazing to see adult beginners side-by-side with advanced painters enjoy and benefit from this deeply researched program," said Maichack, who has presented hundreds of similar workshops in pastel focusing on other artists' techniques, from da Vinci, through Monet and van Gogh, to Georgia O'Keeffe. Mr. Maichack's workshops have been so well-liked, many libraries and senior centers have booked and rebooked him, often twice a year.

Please call Sue Carlson at 624-3695 if you plan to attend; space is limited.

This project is sponsored in part by a grant from the Leyden Local Cultural Council, a local agency that is supported by the Massachusetts Cultural Council, a state agency.

Leyden United Methodist Church

The Christmas season is an exciting time in the church year. We actually call this time Advent, as we are preparing for God to come into the world in Jesus Christ. It is a critical time of the year. Many celebrate this time of year through shopping and buying lots of stuff. As Christians we are declaring something much different. We say that Jesus Christ is the most important thing in our lives, certainly not our possessions.

Leyden UMC will celebrate Advent and Christmas in a variety of ways. Each Sunday we meet at our regular worship time at 9:00 AM. The December 16th worship service will be a Christmas carol/hymn sing. Friday December 21st we will have our annual gingerbread house-making party at the church. We provide the gingerbread house for you to make and ask people to bring a bag of candy to share with others to help decorate the gingerbread house. Kids and parents leave with a sugar high, but it is a fun night. We will meet starting at 6:00 PM and the festivities will end around 8:00 PM.

On December 23rd, as part of worship, we will have a nativity Christmas pageant with children during our 9:00 AM worship service. If your child is interested, please speak with Mary Lou Barton. Christmas Eve we will have worship at the family-friendly time of 5:00 PM. It is a service of lessons and carols that takes us through God's relationship with humanity and Jesus coming into the world in the form of a little baby. It is a heartfelt worship experience that helps focus on the true meaning of Christmas. During this Advent and Christmas season I hope that you'll join us for the many activities that we have planned. Peace and tranquility be with you during this Holiday season,

—Pastor Ken Mantler

Country Store in Leyden?

Hello Neighbors,

I don't want to raise false hope by this survey. I am just thinking, and need some input from all of you. We often talk about the need for a store in our little town again, and it was discussed again at the Flu Clinic. I thought it would be good to start with a short survey to determine need, feasibility and support. If you could take the time to share your thoughts it would be very helpful to me.

Points to ponder and comment on include: Do you think a Country Store would be supported in Leyden? What kinds of goods/services would you expect to be able to purchase there? Would a small coffee/lunch area be supported? What hours of operation do you envision? Is there a part of your business that could be represented there? Am I crazy?

Please share your thoughts with me at jarlneipp@verizon.net or drop me a note at 487 West Leyden Road, Leyden MA 01337.

—Thank you, Robin Neipp

WiredWest Survey

Thanks to all those who took the time on election day to fill out the WiredWest support cards. You are helping Leyden get the best Wi-Fi possible. Eighty-three new names were added, to bring us up to 55% of our residents. One hundred sixty-two out of 294 households have added their votes for this incredibly necessary initiative. The support cards are not a survey about who has DSL and who doesn't, which is why we were particularly grateful for those of you who have some sort of Wi-Fi and still took the time to respond. Now we need the rest of you to help us as well. By my count, we still need responses from 132 households! Once again, I will do anything I can to help. Call me at 774-5922 if you would like me to enter your support. I will see to it that it is done immediately. You can also respond online at WiredWest.net. But please do something as soon as possible to add your voice for all of us. This is important because *funders are listening, as are interested service providers*.

Leyden is a charter member of the WiredWest Cooperative. WiredWest is a municipal co-op of 40 towns that are working together to build a fiber-optic network to offer ultra-high-speed internet, telephone and high definition video at reasonable rates to residents and businesses.

The WiredWest network is extremely important to the future of our town. It will create local jobs, improve education and healthcare, and support our regional economy. Even if you have DSL, wireless or cable from a private company, switching to WiredWest has enormous benefits for you personally, and for our community, including:

Far superior service – There is no other delivery system for telecommunications that provides service as quickly, reliably and affordably as fiber-optic. It is only technology that will support our data needs for decades into the future, and give you state-of-the-art service today.

Keeps revenues here – Today your payments for phone, internet and television service go to out-of-state companies and their shareholders. For just the WiredWest towns, that's over \$50 million per year. Imagine the effect on our local economy if that money stayed here?

Ensures all Residents and Businesses have access to high-speed internet – Many of our residents are cut off from the modern digital world through no fault of their own. They struggle with dial-up or satellite, which prevents working from home or operating home businesses. It penalizes our students from doing homework and accessing online education tools. It drives young families, professionals and college graduates from our towns, and it makes homes almost unsellable. Even if you're satisfied with your current internet service, doesn't it make better sense to support a network that provides service to all your neighbors?

Although the WiredWest network is still in the planning stage, you can do something important today to make sure it comes to fruition in our town. Complete a Support Card to show your interest in service with WiredWest, either at www.wiredwest.net, or pick up a card at Leyden Town Hall. We urge you to show support for this vital initiative. For more information, please visit www.wiredwest.net or contact the Leyden WiredWest Delegate, Sheila Hourihan at 774-5922. —Sheila Hourihan

Knit for your Neighbors is *not* just for Knitters

No time to knit? Don't know how? You can still join in this community project. Pick up a hat, scarf, gloves or mittens next time you are shopping.

Drop boxes for your finished or purchased project(s) are now available at Pearl Rhodes School, Robertson Memorial Library, Town Hall (front hallway and Bob's Office), and Leyden United Methodist Church. The drop boxes will be available until Sunday, December 9th.

All donated items will be displayed beginning, Saturday, December 15th at Town Hall, and for one week after on the porch of Town Hall. You can drop off an item, or help yourself to whatever you need. You still have plenty of time to join in this community effort. Call Kathie Benson at 773-8595 with questions.

Vehicles with Out-of-State License Plates

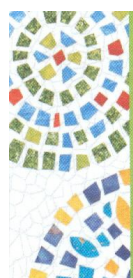

It has come to the attention of the Leyden Police Department and the Leyden Board of Selectmen that there are numerous vehicles owned by town residents with out-of-state license plates. Massachusetts General Laws require that any permanent residents of the State of Massachusetts must register their vehicles in Massachusetts within thirty (30) days of such permanent residence. The Leyden Police Department is monitoring the situation and will begin ticketing offenders within fourteen (14) days of this publication.
