Selectboard Corner

In police news Rachel Capella has been appointed as a part-time Officer for the Town. She will be riding with Dan and other officers as she gets to know the hills of Leyden.

Town building maintenance and upgrade issues have been high on the Town agenda. We are doing our best to put together a decent plan, along with the Building Needs Study Committee, for the Annual Town Meeting. Everyone has spent a considerable amount of time to come up with the best plans. We look forward to your support at town meeting.

—*Respectfully yours, Jeff, Barbara, Bill*

School Committee Member

Town Moderator, Katherine DiMatteo, seeks a short-term appointee to the PVRs School Committee. Due to a resignation of one of Leyden's representatives on the School Committee, I am seeking interested individuals to fill the seat until the next election in November 2014. Do you have children in the Pioneer Valley school system? Are you curious about how decisions are made? Are you willing to give up some evenings to attend meetings? Can you work with the other Leyden Town committees to achieve the best for the Town and the schools? Please call Kathie at 413-624-5569 if interested.

Community Partnership Meeting

The Franklin Regional Council of Governments (FRCOG) and Berkshire Regional Planning Commission (BRPC), with the assistance of the Franklin Land Trust, are conducting public outreach to determine the level of interest in a new model of assistance and involvement by the State and the U.S. Forest Service which could provide federal funds to expand forestry activities on privately-owned land and to support tourism-based businesses. The purpose of this initiative is to conserve forests, increase economic development that is based on sustainable forestry and recreational tourism, and improve the fiscal stability of municipalities. With enough interest from communities, the U.S. Forest Service could be requested to designate an area which would be eligible to receive this assistance.

The FRCOG will hold a public outreach meeting in Leyden on Tuesday, March 25th at 7:00 PM at Town Hall. Meetings are open to the public and municipal officials; residents, business owners, landowners, and foresters are encouraged to attend this meeting.

Please attend to listen and learn at this special meeting.

February and *frigid* seem to be synonymous terms this year. As I write, we've just cleaned up from a foot of snow which forced the library to close. Temps huddle in the single numbers and teens, and "reliable" forecasters suggest that a stormy pattern will continue...ho hum! Thank goodness for good books, good CDs and good DVDs to keep us sane!

Quilling, or paper filigree, is an art form in which strips of paper are rolled, shaped, and glued to create decorative designs. **Nan Rolstad** created a beautiful piece of quilling for the library, and her sister, **Ruth Tuller**, delivered it for her as Nan recovers from hip replacement surgery. The curled artwork, inscribed "*Open a Book and Open a Brand New Mind*" is three-dimensional and absolutely beautiful. It sits on the fireplace for all to enjoy. Thank you, Nan; we hope your recovery is quick and complete!

I'm currently working on a grant with PRES first/second grade teacher **Judi Shilling**. We're hoping to bring local artist/writer Astrid Sheckels, author of *Nic and Nellie*, of Greenfield to the school to work with students on personal narrative, character development, and theme in her book, and in their own creations.

Joyus Sky-Fox, a resident of Colrain but a frequent visitor to our library, has volunteered to create a catalog of all our DVD's. She'll organize them alphabetically, and list them in a notebook stored in the DVD area. As new ones arrive, I'll add them to the lists. Thank you in advance, Joyus!

Sometimes it takes more than *one* village to make things happen. When **John Rodgers** entered the library and moaned, "I need help!", I wanted to help; but I am technologically challenged. Could I scan pictures? No way!

As usual, I called my husband Freddie for advice. After fifteen futile minutes of frustration, I suggested that John drive to our house in Shelburne.

Freddie scanned the pictures needed by John's daughter Rachel for a PowerPoint presentation, mailed them off to Rachel, and saved the day. John sighed with relief, and Freddie went back to work filing our taxes!

Rachel has volunteered many hours of service to the library, so we were more than happy to help her with this project! She's a freshman at Sewanee University in Tennessee.

When you read this it will be March, and in three weeks, the official start of spring will bring smiles to our faces. I hope Mother Nature complies! —*Chris Johnston*

Who's in the School Photos?

Sharon Clark, of 67 West Leyden Road, sent this interesting response to the query about photos in the January *Leyden Life*. The Clarks' house was originally the Leyden Center School.

"Both pictures are the Center school. Edith [Fisher] told us the Severance family owned the property behind our place and there are Severances in the picture.

"Also you can see the granite slabs under the front, and you can still see them today. In the second one I was thinking one of the teachers, the centered one, could be Isabelle Slate. Three of the boys look like my brothers; the one on the far left looks like Barry Wiles, the one beside him looks like Norman Wiles, and the one on the far right, smiling, looks like Gregory Wiles. It is hard to tell for sure as the picture is blurry, but it definitely is our house."

Board of Health

It is against the law to dispose of needles and syringes in your regular garbage.

The Leyden Board of Health is now providing "Sharps" containers to safely dispose of needles, syringes, lancets and test strips. The containers are **free** and can be picked up at a Board of Health meeting (second Tuesday of the month at the Leyden Police station from 5:30 to 6:30 PM). You can also contact Kathie at 773-8595 or Gloria at 774-7113 to arrange to pick up a container. Containers may be used to dispose of "Sharps" products used by humans, as well as those used for your animals.

Leyden Council on Aging (COA)

Join Us: If you are age 50 and over, or a caregiver, or just interested in participating in healthful and active aging activities, we invite you to join us. All meetings are held at Town Hall.

Transportation needed to COA meetings? Amy St. Clair has volunteered to drive anyone who needs a ride. Call her at 774-6907.

Monday, March 10th

10:00–11:30: Foot and Blood Pressure Clinic, performed by a public health nurse; no appointment needed.

10:00–11:30: The Myths of Alzheimer's. Is memory loss a normal part of aging? If a relative has Alzheimer's, will you develop it too? Does Alzheimer's only affect the elderly? Is it preventable? Certified Dementia Practitioner Robin Martin will talk to us about the myths surrounding this disease, warning signs, and related conditions. She is certified as a Dementia Specialist by the Alzheimer's Foundation of America and has worked with the dementia population for over 25 years. Come with your questions!

11:30–12:15 - a light lunch will be served.

Monday, March 24th

10:30–11:30: Outreach/Caregiver Assistance will again be available. No problem should go without a solution, especially when budgets are tight, and you are living on a fixed income. Nancy Wood, professional outreach worker and benefits counselor, will be at Town Hall to help with questions about programs for food, fuel, housing and home care assistance; discounts for electric or phone bills; compensation for caregivers, etc. She can also help you fill out applications as needed, or just help you figure out where to start. Walk-ins are welcome – and while you are there, consider staying for Lunch.

10:00–11:30 Our morning activity will be "Friend to Friend", which is a chance to come and socialize, share common interests, play cards or work on a neighbor to neighbor note writing project.

11:30–12:15 a light lunch will be served.

12:15–1:00 - COA business meeting will follow lunch.

Bridge anyone? Someone is still hoping to find fellow bridge players in town. Call Dianne Ryan at 624-0225 if interested, and we'll see what can be organized.

Bad Weather: Council programs will not be held if school is closed due to bad weather. —*Dianne Cornwell*

Call for New Members of the BNSC

Thank you for the response to our previous advertisement in January. We are anticipating a future opening so want to run this ad again.

The Building Needs Study Committee (BNSC), a Town committee appointed by the Select Board annually, is looking for new members. The committee puts together information on projects that the board is interested in accomplishing. The most recent visible project was the Town Hall ADA Compliance Renovation Project of several years ago, which installed a new elevator, stage lift, and handicapped-accessible restrooms in Town Hall.

We are looking for anyone who is interested in helping the Town with building projects like this or smaller. It would be helpful if the person had some knowledge of renovating or building structures in a real or abstract sense, but that is not a necessity. It is important that an interested person be willing to spend a couple of hours every month or two meeting to discuss on-going plans. That usually means additional time doing some research to provide usable data for the Select Board. Then it might mean involvement in putting plans together to accomplish the building task.

Anyone interested in being a BNSC member should contact any present member of the BNSC or the Select Board. Or call or email the Town Administrator, Bob Hardesty, and leave your name and telephone number or email address. One of us will get back to you.

Call the Select Board at 774-4111 or BNSC Chair Cliff Carlson at 624-3695 for further information. —*Cliff Carlson*

Pollinator Habitat Creation

On Tuesday, March 11th at 7:00 PM at Town Hall Tom Sullivan, of "Pollinators Welcome" will cover the key elements of native bee habitat design, including flower types and nesting requirements to help the largest number of bees flourish. He teaches you how to increase pollinator resources in your landscape by following habitat design criteria and shows a wide variety of nesting options to attract pollinators this spring and summer.

Tom will have on hand bee condos and nifty inexpensive nesting tubes for sale and to order. Tom will also discuss the pollinator-positive aspects of the new farm bill and available grants available from the USDA and Natural Resource Conservation Service.

This project is sponsored in part by a grant from the Leyden Local Cultural Council, a local agency that is supported by the Massachusetts Cultural Council, a state agency.

From the Editors

Thanks to all who have helped us to "go electronic" by sending your email addresses, or letting us know your preferences. It will be a few more months before we are ready to make any significant changes.

If you have already indicated that you are happy with an e-LL, please do not be dismayed if you still receive a hard copy. We're working on our lists, and trying to determine which addresses still want hard copies on their hooks. It's not easy for our deliverers to pick and choose those hooks! —*Editors*

Fred Wells Trust

Scholarship Awards

The Fred W. Wells Trust is an organization that provides scholarships to students graduating from high school and to those enrolled in college or an advanced educational program. Recipients are selected based on scholarship, need, extracurricular activities and recommendations.

Applications may be obtained from high school college counselors, or from the Leyden Town Clerk during normal business hours. All applications, recommendation letters and official transcripts now need to be postmarked no later than **Thursday, March 20, 2014**. Please note that this is a new deadline date, moved forward from the April 1st date used in previous years.

Please call Lois at 774-4092 for further information if needed.

Historical Commission

The Leyden Historical Commission now has a web site. It is still in progress, but will contain its meeting agendas and minutes, updates on its projects and various historical information. Go to leydenhistoricalcommission.weebly.com
