Robertson Memorial Library

Library Hours: Monday 1:00 – 6:00 PM; Wednesday 1:00 – 6:00 , and
Saturday 10:00 AM to NOON Phone 773-9334 (Leave a message any time.)

Many visitors to the library have commented on the flowers that add beauty to its exterior. The window boxes need constant watering as they dry out so easily, especially because of the overhang and the heat of the afternoon sun beating upon the plants. Thanks to 'retired' trustee, Trueman Robbins, the flowers have thrived all summer. Daily visits to check on their needs have made all the difference. Trueman has filled the water buckets and catered to the plants consistently, and we thank him sincerely for his assuming this job. Tucker comes along to help, so we thank him, too!

Twelve young people participated in this summer's reading program. They will each receive a gift certificate to the World Eye Book Shop and will celebrate their success at a 'make your own' sundae party at Town Hall (date and time to be announced). Readers submitted their reading logs no later than Wednesday, September 9, in order to qualify. Reading over 4,000 pages since June were Sophia Manowich, Ana Smith, Erin LeBlanc, and Rebecca Rodgers. (Rebecca read 8,509 pages, and will receive the top award, a twenty-five dollar gift certificate.) Great job and congratulations to all! Others who participated include Amber Kowl, Leah Potter, Aaden Foley, Emma Snow, Olivia Baker, Angel Lamore, Lucia Saviano, and Maggy Lawall. The total number of pages read was 29,514!

Fifth/sixth grade teacher Lisa Armstrong and I are working together to submit a grant application to the Pioneer district's FEE. If we are awarded the grant, author Michele Barker will spend two hours with Lisa's students. After they have conducted research related to the setting of the novel, "A Difficult Boy," read the book with their teacher while discussing, responding and actively participating in literary analysis, Ms. Barker will work with students to discuss the novel and engage them in a writing activity that will incorporate the strategies of effective writing they discover while involved in this unit of study. Indentured servants, life in New England in the mid-nineteenth century, prejudice toward Irish immigrants, and the roles of horses during this period are just a few of the history links students will investigate. Wish us luck!

Please visit this fall, and be sure to let me know if anyone needs books, CDs, or DVDs delivered to their homes.

—Happy autumn, Chris Johnston

payment of taxes. These parcels have received no payment in taxes for decades, and the Town is moving forward on cleaning up these delinquent accounts at the urging of our Town auditors. The process has been slow, but we will continue to secure the well-being of the town and follow the Massachusetts General Laws. The three parcels are land on Brattleboro Road and two parcels on East Hill Road. Check the Town Hall bulletin board for information, or call Bob Hardesty for details.

The new tanker brush truck that the Fire Department built and painted is in service. They won a trophy with it at the Franklin County Fair this year. Thanks for a great job to Chief Spatcher and his crew for the many hard hours and team effort it took to build this truck for the safety of the town. Police Chief Dan Galvis spent some long hours researching and traveling a long distance out to New York to secure this vehicle for the town; it cost the town only the fuel to bring it back. Thank you, Dan.

In closing, we would also mention that at the September Council of Aging luncheon we rolled out the vehicle that we have secured for the community to help with the needs of residents who are in need of transportation. Please contact the COA if you would like to be a volunteer driver.

—Respectfully, Bill, Jeff and Lance

LEYDEN ANNUAL FLU CLINICS

FRCOG's Cooperative Public Health Service (CPHS) will hold a flu clinic in Leyden, Wednesday, October 21 from 11a.m. to 1 p.m. and 5 p.m. to 7p.m. at the Town Hall.

In the past CPHS flu clinics were held with state-provided vaccine. This year due to a drastic reduction in state-supplied vaccine, CPHS is purchasing doses and has arranged to bill Medicare, MassHealth and other insurances so that we may continue to provide this valued service. Residents are also encouraged to obtain vaccine at primary care or other providers.

All are welcome, but residents DO need to bring Medicare Card or other Insurance Card to CPHS clinics. There is no out of pocket cost to residents with the following insurances:

- Blue Cross Blue Shield of Massachusetts
- BMC Healthnet, Celticare
- Cigna
- Harvard Pilgrim
- Health New England
- Fallon
- MassHealth
- Neighborhood Health Plan
- Network Health
- Tufts
- Unicare
- Medicare
- Medicare Advantage (Blue Cross, Cigna, Fallon, HNE, Tufts)

Individuals without a billable insurance card can purchase vaccine for a fee of \$20 for adults, and \$10 for children (6 months through age 18). This fee may be waived for those with financial hardship.

Yearly flu vaccine is one of the most important actions you can take in fighting the flu and keeping you, your family and your community healthy. Preventive actions such as good hand hygiene and proper cough etiquette also stop the spread of germs.

For questions call Public Health Nurse Lisa White at 413-665-1400 x 114. Additional flu clinics open to Leyden residents will also be held in CPHS member towns throughout the region. A Schedule of all CPHS clinics will be posted on the Cooperative Public Health Service Page of FRCOG's website: www.frcog.org

Council on Aging

DID YOU KNOW...that our new Transportation Service for Leyden's Seniors is now in place? If you need a ride to medical appointments, grocery stores, barber or hairdressers, etc. all you need to do is call dispatcher Gilda Galvis at 773-7932 and arrange for a ride in our very own Cadillac! (A big thanks to Dan Galvis, who acquired the car from a government surplus auction.) There is no fee for the service, although voluntary contributions are accepted. The COA looked into FRTA bus service, which may be a longer-term solution, but the Cadillac gives us the opportunity to offer transportation to seniors right now. We have four volunteer drivers who are ready and waiting for your call.

Do you have Two Hands, Two Feet and a Heart that cares?

Since our elderly parents moved in 4 years ago, we have found ourselves at a loss for basic household services/help. I know we are not the only ones in town who could use help. We are looking for someone to come to the house 1 or 2 times weekly, during lunch for a few hours (2-3) to help our parents make lunch, wash dishes, pick up a little, some conversation.

I know others need similar help and/or other services. I would like to start a list that would be available at the town hall and eventually on the Leyden web site. An "Angie's List" for Leyden.

Anyone who can cut hair, change a light bulb/smoke detector batteries, do any everyday tasks that we take for granted. If you want to charge a fee, that would be negotiable between you and the client.

The list would be continuously updated. Call/write/email me. I'll add you to the list. Thank you in advance.
