Select Board Office

Winter has treated us pretty well so far; road maintenance is still within budget. The sight of sugar stack smoke and steam will be a quick reminder that maple sugaring season is here. Our local producers will once again be gathering the sap for what we hope will be another good year for them. Look for your local farmer, as many products are available right here in Leyden. Eggs, milk, syrup, hay, firewood, honey, beef, lamb, vegetables, and berries are all produced in Leyden.

Liz Johnson has decided to remain as Town Clerk until the Annual Town Election in May. Bob Hardesty was asked by our Board to be her assistant until then. Anyone interested in the Town Clerk position will have to have his or her name submitted at Town Caucus, which should be sometime in March. The Town Clerk position requires a background check because a bond on the person is required to be in place prior to taking office per Massachusetts General Law.

The Select Board had two meetings in January with the towns in the Pioneer Valley School District. Present were

Select Boards from the four towns, Finance Committee members, Administrative Assistants, School Committee members, and Superintendent Ruth Miller. There was a broad range of topics regarding our school district, and it was agreed to establish an Advisory Board, with two members and two School Committee members from each town along with the Superintendent. They will look at the district agreement that was amended March 28, 1991. Since then we have seen our Leyden elementary school go from an enrollment of over a 100 students down to 23. We have 16 school choice students enrolled in our school as well.

Leyden has millions of dollars invested in the school district, especially the refurbished high school, along with our elementary school. We want to continue to have the best educational facilities available for our students. Because the school district agreement is so restrictive, it may be in the best interest of the towns to look into some changes that could help the district maintain the high standards that we all want for education now.

Robertson Memorial Library

Library Hours: Monday and Wednesday 1:00 – 6:00 PM, and Saturday 10:00 AM to 12:00 NOON
Phone 773-9334 (Leave a message any time.)

At the end of each year, it's nice to acknowledge the volunteers who give their time to make the library available on Saturdays. Glen and Kathy Benson, Amy St.Clair, Kathy Ruseckas, Karin Parks, Steve Richter, Robbi Browning, Lois Feldman, Cindy LeBlanc, Rebecca Rodgers, and Kerry O'Dea deserve our sincere thanks. What a team! Michelle Higgins, Jennifer Van Platt, and Liz Walz have joined the group, and we are thrilled that Peggy Brown is now able to volunteer after a long hiatus. We are in business!

Despite his being eighty-eight years young, Trueman Robbins checks on the library regularly. If there is ice on the walkway, he chips away at it to make it safe and easily accessible for patrons. He visits volunteers with his pal Tucker each Saturday, too. Thank you, Trueman, for all you do.

Good news! The 2017 Clark Art Institute pass has arrived. If you are interested in visiting this fabulous museum, come in, borrow the pass, and have a great day.

We have sold all but one of the calendars published by Rowe author Kathy Heiligman. The photography is professional and the color sharp. Our library was selected for the cover as it is considered the quintessential hill-town library. The cost is \$19. If you are interested in purchasing the last copy, stop in soon. Those who purchase a calendar will be eligible for a drawing, the prize being a mug with the RML picture on it.

More good news! We have been awarded the PVRSD FEE grant to bring author Jane Buchanan to Pearl Rhodes after Lisa Armstrong's fifth/sixth grade class reads/discusses/ writes about her novel, *Hank's Story*. Jane is donating fourteen copies of her book to the school so that the curriculum Lisa and I have created can be used for several years as a language arts unit.

Happy February!

—Chris Johnston

Leyden Recreation Committee

As many of you already know, the skating rink is up and operable at the Leyden Pavilion. I have heard that lots of people have used it and love having it there. Just remember, the rink is "Skate at Your Own Risk" and is maintained by members of the Leyden Recreation Committee. Members work regular jobs, so if there is a snowstorm, it will be hard for them to get to the rink right away. So *please*, if you go to skate it would be a *great* idea if you bring your shovel just in case. We would appreciate any assistance we can get. Also, *please* don't leave chunks of wood, rock or anything else on the ice as it will melt into the ice and leave an unsmooth surface. Even a leaf or two could make a mess in the ice.

At some point, when we get more snow, we would like to host a sledding and skating party. The Leyden PTO will sell drinks and snacks, etc., at the Pavilion, so hopefully we'll get more snow.

We're still hoping that someday there will be some lights on the outside of the Pavilion. Then there can be skating in the evening. We do want the rink closed by 10:00 **PM** when we have lights. Have fun and skate often.

—Mary Lou Barton, Secretary
Leyden Recreation Department

WiredWest
Connecting Western Mass to the World

The WiredWest Regional Broadband Solution

The WiredWest Board of Directors, meeting in Worthington on January 14th, approved a price list for the services it will offer as a regional network operator and internet service provider. Basic internet access (25 Megabits per second) will be priced at \$59 per month; a higher speed option (1 Gigabit per second) will be available at \$79. Phone service (full featured including domestic long distance) will be an additional \$19. You will be able to keep your current phone number.

Actual services will be provided by a reputable local company with experience as a Fiber-to-the-Home provider. Negotiations are still in progress with several companies, so the name of the company cannot be made public as this is being written. This and more information will be provided at a meeting on **Saturday, January 28th**. The purpose of the meeting is to inform town officials of the WiredWest option for their towns within the guidelines of the MBI Readiness & Sustainability Process. Members of town Select Boards, Finance Committees, and Broadband Committees will be invited to attend. The event will take place at the JFK Middle School in Northampton

If you paid a \$49 deposit to WiredWest during the sign-up campaign that began more than two years ago, your deposit will be applied against your first month's service. Since the original plan to build a regional network was rejected by the State and each town is now responsible for building a self-contained network, regional service will cost a little more. But compared to what you are probably paying now for Verizon phone and DSL, WiredWest can provide much better internet and phone service at a comparable price.

We are grateful to all who signed up and have been waiting patiently.

—Al Woodhull (413-773-3522) and Sheila Hourihan (413-218-6600), WiredWest Delegates for Leyden

Select Board Office

(Continued from page 1)

There will be a long process over a period of years before any changes could take place, but it's something we need to look at because we've seen a sharp reduction in numbers, as have other districts.

On to a note regarding where we stand on Broadband: We continue to look at all solutions that will best serve the Town. We are inching ahead and making progress. Things are changing at every level, and no firm decisions will be made until we are all satisfied with what will work best for Leyden. The Broadband Committee continues to look at all means, as do our delegates from WiredWest.

—Respectfully yours, Jeff, Bill and Lance

Council on Aging (COA)

The Council on Aging would like to begin this New Year by thanking all those who have attended the monthly lunches, all those great people who have given their time and energy by volunteering and helping out, all who have run classes for us and given presentations and performances, drivers for the transportation program, and most of all, the people of Leyden who have generously supported the activities of the Council on Aging. So to all of you – Happy New Year (once again), and thank you all very much!

SOUP & SANDWICH LUNCH: The new Soup & Sandwich Winter Break Lunch will continue in February, and will be held downstairs in the Community Room at Town Hall on **THURSDAY, FEBRUARY 2nd from NOON to 1:30 PM**. Do join us for a casual lunch of chili, cornbread, salad and a light dessert – save the date! Take some time out of your busy day of work, errands, laundry or other household chores to enjoy a satisfying midday meal served with a smile! Everyone is welcome, so bring family and friends along. The lunch break will be followed by:

EXERCISE CLASSES: OK! So now the holidays are over—it's time to dust off those sneakers and come to exercise classes, starting up again (on **TUESDAYS** this time) on **TUESDAY FEBRUARY 7th from 12:00 noon to 1:00 PM** upstairs at Town Hall, led by **Linda Allis**. Prepare to have fun while moving and grooving! This session will run for 12 weeks, through April 25th, giving us plenty of time to get in shape for outdoor activities in the Spring.

AWESOME ASTRONOMY: We are very fortunate indeed to have **ROBIN SYMONDS**, a leading astronomer and former Director of the Charles Hayden Planetarium at Boston's Museum of Science present a fascinating program upstairs in Town Hall on **THURSDAY, FEBRUARY 9th, from 7:00 to 8:30 PM**. (The snow date is Thursday, February 23rd.)

Robin will talk about "**The New Solar System**". She says: "The Solar System most of us grew up with – nine neatly organized planets, a few inert moons and an occasional comet – is no more. (We now know that it never was!) In the last twenty years or so, our understanding of our home in the universe has changed dramatically, revealing a complex, dynamic and gloriously diverse system."

Robin served on the Education Advisory Committee for the Hubble Space Telescope from 2005 to 2010. She is now semi-retired, living in Leyden since last Spring (luckily for us!) and teaches astronomy part-time at the Springfield Science Museum.

ACRYLIC PAINTING CLASSES: Art Classes, led by **David Sund**, which began in January, continue during the month of February on **TUESDAYS, from 1:00 to 3:00 pm** downstairs at Town Hall. This class has proven to be very popular and is fully subscribed by those of us in search of our inner artist! Thank you, Mr. Sund!

LEYDEN LUNCH: Invite your best friends to lunch on **WEDNESDAY, FEBRUARY 15th from 12:00 NOON to 1:30 PM** at Town Hall. Show them how much you care with a delicious meal of **lasagne, garlic bread, salad, and cherry pie**.

Of course there's no limit to the number of friends you invite, so fill up a table and celebrate the joy of friendship together! Please call Sue Howarth at (413) 774-3118 to reserve your place, and let her know if there are any special dietary concerns for yourself or someone in your party.

MOVIE NIGHT!: Check out the Big Screen, new sound system, and even an old-timey Popcorn Machine on **FRIDAY, FEBRUARY 17th** upstairs at Town Hall, **from 7:00 to 9:00 PM**

with a showing of "**THE SECRET LIFE OF PETS**" (2016), a hilarious and fast-paced animated movie about the lives our pets lead after we leave for work or school. Rated PG: *All ages welcome!*

LOOKING FOR A GOOD TIME? Please call.... (oh, just a minute now...). That is, *volunteer* with the Leyden Council on Aging. We always need help with meals (set-up, serving, clean-up, etc.), movie nights (pop that popcorn, learn to run the projector) special events, making baked goods, including sugar-free/gluten-free items, etc. and we *always* have fun!

Please call Cecilia Tusinski at 413-624-3436 with any questions about the COA programs listed above, or if you would like to volunteer – there's always plenty going on as you can see!

As always, the Leyden Council on Aging thanks all those who help to make our programs happen, including board members, volunteers, drivers and of course, all the Leyden residents who attend the lunches and classes. Thank you all!

Please note: when School is cancelled owing to inclement weather, there will be no COA events taking place, either. 'Snow dates' will be announced, whenever possible.

—Cecelia Tusinski
