Franklin County Selectmen's Association Meeting

The Board discussed attending the March 23rd FCSA Meeting. The program includes Broadband discussion and includes representatives from WiredWest and MBI, including Bill Ennen. They decided to move the March 23 BOS Meeting to a morning meeting, and attend the FCSA meeting. They will invite our WiredWest delegate, Al Woodhull, and Broadband Committee Chair, Bob Ryan.

PRES Fencing Project

The Board discussed the PRES fencing project approved at the Annual Town Meeting. Jeff suggested having the fencing installed in May. They will discuss this further when they meet with the School Principal on March 16th.

ATM Articles

Jeff suggested that we get estimates for replacing the door in the Meeting Hall by the fire escape, and the Dining Hall rear entrance door. Also, the fire escape itself needs to be prepped and repainted. We will also need two articles for the school; one for the PVRs Capital Project Assessment, and one for the Technology Borrowing Obligation Assessment. They will discuss Highway Capital and Stabilization at next meeting.

Joint BOS/FINCOM Meeting

Michele and the Board agreed to meet on March 30 for a special joint budget discussion.

ADJOURNMENT

MOTION: Jeff moved to adjourn. Unanimous. Meeting adjourned at 8:40pm.

Respectfully Submitted,

Robert Hardesty
