Minutes
November 20, 2017**

Selectboard Members Present: Lance Fritz, Bill Glabach.

Others Present: Bob Hardesty, James Milo.

Call to order 7:06pm.

Minutes

MOTION: Bill moved to accept the minutes of November 6 as presented. Unanimous.

New Resident

James Milo introduced himself to the Board and explained that he is in the process of buying property on George Lamb Rd. He and the Board discussed setbacks and building permit procedures. He will be observing the perk test in a few days.

Tax Collector CAM Support

Roxanne addressed the Board concerning continuing to use the CAMA software. The State will no longer support CAMA after FY18. She would like to continue to use CAMA and to also continue to use Mike Quinlivan for her tech support. CAMA costs about \$2400 a year. Mike's fee is \$1200. She suggested taking the difference, since there will not be a CAMA fee, and put that difference into the Technology Stabilization account for when we will have to purchase new software. She feels that eventually we will need to buy new software. Discussion. The Board suggested that she propose that in her FY19 budget request.

Jan. 15 Special Town Meeting Warrant

The Board agreed to close the January 15, 2018 Special Town Meeting Warrant on December 1, 2017. This will give the Finance Committee time to meet and review the articles.

ADJOURNMENT

MOTION: Lance moved to adjourn. Meeting adjourned at 8:00pm.

Respectfully Submitted,

Robert Hardesty
