## Select Board

October proved to be an eventful month in the Town. The First Bob Cook Memorial Tractor Pull, The Historical Commission’s annual South Cemetery Tour, COA Luncheons and coffees, art, and exercise classes, and clean-up of Avery Field facilities.

Lt. Governor Kayrn Polito visited Leyden on October 17<sup>th</sup> to receive an update on our progress toward boardband availability. Bill and Lance conducted their annual drive-about-town tour, and Sue Howarth and the Recreation Committee put on a Halloween party for the kids. The Selectboard extends our heartfelt thanks to all those who work so hard to make all of these events a success.

The planned November Special Town Meeting has been postponed until January 15, 2018. I would like to close the warrant early in December to give the Finance Committee time to review it. Citizens wishing to have items added to the warrant should submit their petitions to Bob Hardesty by the end of November. If there are questions concerning the requirements

## Proposed Leyden Safety Bylaw

The Leyden Citizens Safety Petition and proposed bylaw appear to indicate the Town of Leyden is unsafe. There is no evidence to support this, nor is there any evidence the Town is under any hunting pressure. Over the last 30 years, hunting has decreased in Town for multiple reasons—young people having no interest, declining population of older hunters, extended length of seasons, expense of sport, properties already posted, etc.

Carlisle was mentioned in the October newsletter and they are a good example of a Safety bylaw failure.

In July 1992 they adopted a similar bylaw as proposed in Leyden. In 2017 they have a Deer committee and a Lyme Disease Subcommittee. They not only have a deer population problem, but they are a hotbed for Lyme disease and other tick-borne diseases (the latter being on their own Board of Health web page).

In 2002 their deer population was triple what was considered healthy; 20 to 30 deer per square mile, when 8 was the optimal amount. Currently, according to Deer Management at [mass.gov](http://mass.gov), deer densities range from 10-15 deer per square mile in Northwestern Massachusetts to more than 80 deer per square mile in areas of Eastern Massachusetts (ex: Carlisle) closed to hunting.

They effectively shut down all hunting in their community. That was their intention, and now they must deal with the consequences. There could be the argument that maybe some hunting was allowed, but checking hunting blogs there was one that indicated “good luck trying to get written permission in Carlisle.”

It seems redundant to adopt yet another bylaw when current state regulations are sufficient and serve everyone fairly. Massachusetts has strict hunting regulations and experience in wildlife management; they are the experts. As a landowner you can post notices requiring written permission or you can choose not to. It's very simple: The existing regulations are in place so everyone has the opportunity to manage their *own property* as they desire.

—The Jim Baker Family

## Robertson Memorial Library

Library Hours: Monday and Wednesday 1:00 – 6:00 PM, and Saturday 10:00 AM to 12:00 NOON  
Phone 773-9334 (Leave a message any time.)

What a treat it is to visit the students at PRES. In early October I presented gift certificates to the World Eye Bookshop to summer reading participants including the following youngsters: Abbi Lawall (4,242 PP.), Lucja Yagodinski (3,924 PP.), Olivia Baker (2,545 PP.), Aaden Foley (1,073 PP.), Daniel Yagodinski (205 PP.), Amber Kowal (759 PP.), Emma Snow (593 PP.), and Anna Page (448 PP.) Students from other schools were big readers, too: Rebecca Rodgers (3,559 PP.), Aaliya Johnson-Higgs (1,507 PP.), Lucia Saviano (1,503 PP.), Ethan Fisher (1,030 PP.), Sophia Manewich (559 PP.), and Samuel Underwood (804 PP.) Congratulations all! You are fortunate to have parents who are involved in your reading growth and development. Thanks to a generous donation from the PVRSD Foundation for Educational Excellence we were able to give generously to these young people.

Our ice cream sundae party was poorly attended, but those who came feasted on a variety of ‘yummy’! Four kinds of ice cream, hot fudge sauce, and a variety of toppings made it a fun time for hungry kids and their parents. Leftovers went to the Town’s tractor pull.

On Monday, October 2, students with their teachers and aides hiked up the hill to select books and to visit the RML. I’m getting to know these special people by name, and their teachers are enthusiastic about their participating in the three-week challenge to read their books and to create a poster to interest others in their selections. Even Bob Clancey, the new principal, visited and helped the little ones select just the right books.

New materials continue to arrive. I wish you would join our happy gang and become a regular at the library if you aren’t already!

—Happy days to you, Chris Johnston

## Council on Aging (COA)

We kick off the month of November with Herbs for Health and Healing, a presentation by Karen Sims on Wednesday, November 1<sup>st</sup>, from 11:00 AM to 12 NOON. Karen, a Certified Herbalist, will present a program entitled “From Garden to Kitchen: Herbs for Health and Healing”, on using herbs medicinally and for cooking. Karen will discuss some of the common herbs in kitchen gardens such as thyme, oregano, basil and rosemary. She will also discuss Fire Cider, a tonic used for overall health and well-being. Small samples will be given out.

Karen’s daughter, Melissa Sims, will offer samples of her Turtle Back Products—lotions and creams made from Shea butter and essential oils. The program will be followed by the first “mini-lunch” of the month, and program participants are encouraged to stay and enjoy lunch in the Community Room of Town Hall.

Art Classes led by David Sund continue on Tuesday, November 14<sup>th</sup> and end on Tuesday November 21<sup>st</sup> in the Community Room of Leyden Town Hall, running from 1:00 to 3:00 PM. If you miss this session, stay tuned and be sure to sign up the next time!

EXERCISE CLASSES led by Linda Allis continue on Monday, November 6<sup>th</sup>, 13<sup>th</sup> and 20<sup>th</sup> upstairs at Town Hall from 12:00 NOON to 1:00 PM. These classes incorporate core strength training, balance, stretching and cardio. Come along and have some fun before the holidays take over.

TWO IMPORTANT DAYS will be celebrated by the Council on Aging in November:

Our third Veterans’ Day Breakfast will be held on Saturday, November 11<sup>th</sup> from 8:00 to 10:00 AM at the Town Hall Community Room. Please join us to honor the men and women who have served our country so well.

On Wednesday, November 15<sup>th</sup>, our Thanksgiving luncheon will be held at 12:00 NOON in the Community Room at Town Hall. Bring your friends and savor a delicious meal together!

MOVIE NIGHT Friday, November 17<sup>th</sup> ‘FLORENCE FOSTER JENKINS’ ~ 7:00 to 9:00 PM at Leyden Town Hall. This 2016 film is based on the life of wealthy New York heiress Florence Foster Jenkins, who wanted desperately to become an opera singer despite a horrible singing voice. She even hired Carnegie Hall for her operatic recitals. Starring Meryl Streep and Hugh Grant, the film alternates between comedy and tragedy, as we learn more about Jenkins’ life. Streep was nominated for Best Actress for this performance. Rated PG-13.

FRTA FOLLOW-UP To follow up on the meeting of a representative from Franklin Regional Transit Authority (FRTA) with the COA Board in August to discuss the possibility of bus service in Leyden, the COA has developed a questionnaire which will be available at events held at Town Hall over the next couple of months. This is a very important issue, as folks in Leyden age, but wish to remain in their homes as long as possible. Please take the time to think about this and either call in with your ideas/thoughts or fill in one of the survey sheets (see rough draft below) - and thanks!

What the service would be would depend in large part on the needs that people express in this survey. Please take a moment or two to complete this so that the COA can work with FRTA to provide public transportation to Leyden.

1. Would you like to have public transportation in Leyden?

\_\_\_\_\_

2. How many days per week would you be likely to use public transportation?

\_\_\_\_\_

3. If a bus came only to Town Hall, would you be likely to take it?

\_\_\_\_\_

4. Where would you like the bus to be able to take you?

\_\_\_\_\_

5. What time of day would you be likely to want to use the bus?

\_\_\_\_\_

(Please feel free to add any additional thoughts or comments)

\_\_\_\_\_

## Neighbors Helping Neighbors

The Leyden Council on Aging is compiling a list of people of all ages willing to help out occasionally with either indoor or outdoor chores for seniors or disabled persons. Indoor chores might be helping out with cleaning or minor indoor repairs. Outdoor chores might be snow shoveling or yard help. This can be fee for service or volunteer.

Our goal is to help seniors and people with disabilities on limited incomes to be able to age in place and stay in their homes. Advocates to drive and go to medical appointments and help people without family nearby are also needed. For more information, please call Amy at 774-6907.

## Volunteers Needed

This year, the COA will be serving coffee, tea, and homemade baked items on the second and fourth Wednesday of each month from 8:00 A.M. to 10:00 A.M. If you have two hours to give as a volunteer, we would love to schedule you as a host/hostess on our Coffee Days! It might only be once or twice this year, but your help will be greatly appreciated!

If you have a very busy schedule but would like to bake a treat, volunteers are needed in that area, too. Please call Sue Howarth at (413) 774-3118 if you are interested in hosting or baking.
