## Selectboard Report

Work is being done on East Hill Road to prepare for the laying down of oil and stone in the summer of 2020. This project has been on the Highway Department's planning list for the past 6 years. We are in the prep phase now. Laying of oil and stone will start from the intersection of Frizzell Hill and go to the old intersection where East Hill once went to the town of Bernardston. We have received multiple complaints over the years of flat tires, ball joint replacements, the ripples in the road and dust during summer months, not to mention mud season in the spring. The Highway Superintendent and Selectboard hope to resolve these issues while still keeping the character of a country road. Trees will need to be cut, which have been marked, and the tree Hearing will take place on July 10 at 8pm. Dirt roads require constant upkeep and getting this section done will help for a better and safer passage for the residents of East Hill/

Our Town Treasurer, Kris Nartowicz will be retiring effective June 30<sup>th</sup>. We thank Kris for her years of service to the town. She did a great job with our finances. We wish her well as she will be opening up a blueberry farm.

Results of the Special Town Meeting on June 17<sup>th</sup> resulted in a no vote for the school budget. All four district towns held a Special Town Meeting on the same date. Three out of the four towns turned the budget down, which will require the state to impose a 1/12<sup>th</sup> budget. This results in a monthly assessment from last year's budget. For Leyden our assessment will be much less than the proposed assessment we were given by the school. In the next few months the School Committee and the district towns will be discussing options on how to put a budget together that will pass another Special Town Meeting. We also passed a vote to establish a Regional School Planning Committee in accordance with MGL Ch.71 section 14, which we will need three residents from Leyden to serve on. If you are interested please submit your name to the Selectboard's office.

With the closure of PRES, the Selectboard along with an appointed subcommittee of the School Board will be putting forth a municipal agreement to maintain the heat and lights for the building as well as define what "repurpose" means. We will also need to come to a mutually-agreed upon time period for which the district will help pay for these utilities. Many questions have arisen on what the town will do with the building. We will continue to maintain the grounds and building until a final plan is put into place as to what the town's most urgent needs are. We have no plans at this time. We certainly feel the building is going to fit the needs of our town and be an anchor for many years to come. Yes, we did see our little community school close but we have been in this district for many years. We hope to partner with Bernardston Elementary School as they educate our children. We have been warmly welcomed into their school and look forward to following our children from Leyden for all their community events and programs as they grow through BES. We hope Leyden citizens will embrace this new start for our children and their parents.

There are a few more projects taking place at Town Hall this summer. New kitchen sinks and counters will be installed. This is being done by contractors and volunteers so we anticipate the kitchen will be out of service until September. We have received notice that the Sheriff's office has agreed to our request to paint the outside of Town Hall. We have purchased 25 gallons of white paint for the project, just in time to use FY 2019 maintenance and repair funds before the start of FY2020. This is the third building this year the Sheriff's office has painted for us at a huge cost savings of well over \$40,000. The cost to the town is paint, brushes and other small items. The solar light on the town common is being refurbished and hopefully will shine again shortly. The town hall stage curtain will be repaired at the end of June. Mid County Road will be repaved this summer and line painting of roads will follow. The all-wheel dump truck body will be installed. Dave and Billy will be stripping down the truck and prepping for installation. This is the second rebuild of town trucks and the highway crew have saved us thousands of dollars from total replacement cost of new trucks. Well done, highway crew!

Reminder to all dog owners: All dogs must be licensed in the Town of Leyden. Please obtain your license from the town clerk.

Respectfully, Jeff, Bill and Lance

## ROBERTSON MEMORIAL LIBRARY

Library Hours:  
Mon.: 1-6:00 PM  
Wed.: 1-6:00 PM  
Sat.: 10-Noon

***"That's one small step for [a] man, one giant leap for mankind." -Neil Armstrong, July 20<sup>th</sup> 1969***

Summer Reading has blasted off! Because 2019 marks the 50<sup>th</sup> anniversary of the moon landing, this year's theme is 'A Universe of Stories'. All summer long we will be enjoying space-themed activities including slime, tie dye, and cosmic yoga. Each participant's goal is to read for 1000 minutes during the summer! At the end of the season we will host a star-gazing event at the Town Common. The winners of our challenges will receive tickets to the Springfield Planetarium.

Summer fun isn't just for the youngsters in town, though! Adult patrons, come in during the month of July and play Library Tic-Tac Toe! Just keep the noise down, please!

This year is bittersweet with the closing of our little red school house. When you visit the library, please stamp our thumbprint tree. Choose the category that applies to you: student, staff, alumnus, or community member. At the end of the summer the tree will be framed and kept in the library to commemorate our sweet little community school.

Are you a literary critic? Our friends at Cameron's Winery in Northfield very generously donated a prize for our book review drawing, which was won and enjoyed by Ginny Rockwood. On July 3<sup>rd</sup> we'll be drawing a random review, the winner of which will enjoy four lamb chops donated by Orchard Valley Farm. The next prize will be a gift certificate for Antonio's Pizza in Bernardston.

More news! Construction will begin this summer to install a window bench in our children's area. In lieu of the cumbersome table we'll add some very valuable seating and shelf space. We'll also be putting together a 'Little Free Library' out front so that you can borrow books at all hours! We'll also have a beach read box, filled with paperbacks that can go on vacation with you. No worries if you spill your lobster butta on them.

On another note, do you have an extra patio set or picnic table and umbrella you would like donate? The library is looking for a sturdy furniture to be enjoyed by patrons in the warmer months. Imagine sitting next to our garden reading a book while your children play in the common across the road? Sounds like heaven to me!

We have lots of new materials here! Some shelves are looking a little sad and sparse waiting for some overdue materials to come back. No need to be scared to bring them back in- we do not issue any fines for tardiness!

Come on in and 'check' us out! Want to know all of the news first? Find us on Facebook! Do you have a question or want to volunteer? Feel free to email me at [leydenlibrary@gmail.com](mailto:leydenlibrary@gmail.com) or you can reach me at (413)522-2581 call or text.

### **Neighbors Helping Neighbors**

People are calling our help line to ask for a ride, a reference or other help. Please feel free to call and we will do our best to help you out as needed.

Current needs are for light housekeeping, meal prep, rides and snow shoveling.

We are compiling a list of people of all ages willing to help out occasionally with either indoor or outdoor chores for seniors or disabled persons. Indoor chores might be helping out with cleaning or minor indoor repairs. Outdoor chores might be snow shoveling or yard help. This can be volunteer or fee for service. Our goal is to help seniors and people with disabilities on limited incomes to be able to age in place and stay in their homes. Advocates to drive and go to medical appointments and help people without family nearby are also needed.

## NEED BAGS?

Plastic single-use bags will be going away soon, but we can all begin training for that day now! Coming soon to the downstairs area of the Town Hall will be a collection box for reusable cloth or other sturdy shopping bags. If you have extra such bags (many of us do!), please donate them to the box. They will be washed and placed on a coat and hat (and bag!) tree near the box, where they will be free for the taking. If you are unable to drop off your bags or pick up your free bags, please call me and I can pick up and deliver. Michele Higgins has also suggested that some talented souls might make bags from cloth scraps. Any such support is welcome. Start using your bags immediately. Hint: keep them in your car or near your keys/purse so as not to forget them. When I was learning, I would often forget them! Thank you for your assistance. Questions? Call "The Bag Lady," (a.k.a. Karen O'Neil) at 413-774-5009 or email [pkoneil@crocker.com](mailto:pkoneil@crocker.com)

## Leyden Church

Ok, here we are with another year gone and the Leyden Cafeteria is gearing up for the Franklin County Agricultural Society Fair in Greenfield. The dates are Thursday September 5<sup>th</sup> through Sunday the 8<sup>th</sup>. There are 3 shifts per day with 8 volunteers needed per shift. We will be also looking for quick breads to go with our home cooked meals as well as baked goods for dessert.

Unfortunately over the winter we have two refrigerators that are not working so we are in need of two. Maybe you are getting ready to upgrade and need to get rid of your old one, let us know.

With the three meals a day that's searved we could use donations of non-perishable items to help cut down our costs so we can keep our little church on the hill stay open. Our financial status is not good.

You can call Gilda Galvis (413)522-3186 Rita Klaus (413)774-5218 or Valerie Snow (413)772-0924 with any questions or to sign up for a shift. Here is a list of most of the non-perishable items we need. If you are able to purchase any items they can be dropped off at the church downstairs in the fellowship hall. If you would like to send a monetary donation to help please make the check out to the Leyden Church with a footnote 'fair booth' and mail to 15 West Leyden Rd. Leyden, MA 01337.

## A Refresher on Town Meeting Procedures

Thank you to everyone who turned out for the Special Town Meeting on June 17<sup>th</sup>. The meeting took up a number of topics that were postponed from the Annual Town Meeting in May, many to do with the PVRSD budget and related issues - topics of concern and impact, both financial and emotional.

Whether due to the weight of these topics or lack of clarity on my part as the Town Moderator, there was a moment of great confusion on the vote for the PVRSD budget. To help avoid confusion at our next Special or Annual Town Meeting, here are some basics about Town Meeting procedures.

The Warrant is written and approved by the Selectboard based on submissions from town committees, citizens, and the Selectboard. The Warrant is posted in advance of the Town Meeting (7 days prior for the Annual Town Meeting and 14 days in advance for Special Town Meetings) to inform citizens of the topics to be discussed.

The Articles often contain language that allows options, for instance “raise and appropriate or transfer from available funds.” The moderator asks for a motion on the Article. If the Article is written with options as in the above example, the person who makes the motion must state clearly what action is to be taken, for instance, “raise and appropriate.” If the motion receives a second from another person, then the motion is open for discussion.

Each Article on the Warrant is presented based on the information available at the time it is approved and posted. Information may change between the time the Warrant is posted and the Town Meeting. Motions on Articles can change the written Article if those changes are within the scope of the Article, for instance, the amount of funding stated in the Article can be changed by the person who makes the motion. However, the person cannot introduce something completely unrelated to the written Article when they make the motion.

It is the motion (Main Motion) made on the Articles, not the Articles as they are written that are open for discussion, although questions and opinions about why changes were made to the Article can be part of the discussion. During the course of the discussion, or even immediately after a Main motion is made, a citizen when recognized by the moderator could amend the Main Motion, for instance to restore the original amount of funding. The amendment needs a second and then is followed by discussion. Voting on the amendment is taken and depending on the outcome of the vote, the Main motion is changed (Amended Motion) or not. A vote on the Main Motion or the Amended Motion is then taken.

There are several ways to close discussion on an amendment or on any motion. The moderator can determine that there has been sufficient discussion, someone can “call the question” or “move the previous question” when recognized by the moderator, not a shout-out from the floor. If there is such a request made, the moderator asks for a vote by restating the amendment or motion to be voted on.

If everyone is satisfied with the vote, the moderator moves on to the next Article. If there are still citizens who wish to return to the Main or Amended Motion in order for more discussion or amendments, a motion to reconsider can be made by a person who supported the motion, not someone who voted against the motion, and must receive a second. If the Reconsideration Motion is passed, the Main or Amended Motion is opened for discussion, can be amended and another vote will be taken. If the Reconsideration Motion fails, the Main or Amended Motion and vote stands.

The procedures are complicated and can be confusing. There is much more to say about Town Meeting procedures so look for future articles in the newsletter. For more information, the State of Massachusetts has a very simple primer about Town Meetings if you want more information:

<https://www.sec.state.ma.us/cis/cistwn/twnidx.htm>. Also, The Town Meeting Times, the manual of procedures that is used for Leyden Town Meetings is available in the Leyden Library or you can contact me at 624-5569.

### SWEET MORNING FARM

#### 2019 FARM SHARES

Farm shares for 2019 are in full swing. It's fun to share the summer bounty - beans, tomatoes, greens, lettuce, carrots, flowers, etc. Sometimes our farm members travel or otherwise cannot use their share that week. When that happens, we like to give their share to someone else (for free). If you would like to be on the list of potential people who would like to fill in, get in touch. It's a nice way to see what a farm share is like.

We generally have some extra items and keep the porch refrigerator stocked with eggs, pork, and extra vegetables. To receive notices about what's available, sign up for our Email News. We always have organically-grown, pasture-raised eggs and pork.

Contact us at [sweetmorningfarm@gmail.com](mailto:sweetmorningfarm@gmail.com).

You may also see us at the weekly Shelburne Falls Famers' Market on Friday afternoons and at the Easthampton market on Saturdays.

Happy Summer!
