

LEYDEN BOARD OF HEALTH MINUTES FOR TUESDAY NOVEMBER 1, 2022 AT 7PM

MEETING AT TOWN OFFICES. MEETING STARTED AT 7:10PM

Attending. Marcia Miller, Jerry Lund, and Beth Kuzdeba

1. Minutes from BOH meeting on 10/4/22 approved with motion from Beth and second from Jerry.
2. Flu and Covid vaccine clinic will be at town hall on Election Day 11/8/22 from 8-10am and 6-8pm. FRCOG public health nurses will vaccinate, Beth will help with any paperwork and organization.
3. We went through files of town hall and town offices looking for any info on septic and well for both buildings. Beth will check with Dave Vreeland to see where additional information could be.
4. Because no FRCOG Health Agent was able to attend this meeting, Beth had a conference call with Kurt and Randy this morning at 11am. The FRCOG works for the member towns. So the member BOH's have no accountability to the FRCOG. Any communication between towns must be initiated by each town. So any WebEOC training is done independently of the FRCOG. Our Health Agents make recommendations about training, they provide the professional services (perc, Title V, food and housing inspections..) and guidance to the board. Beth will reach out to BOH in Colrain, Bernardston, and Guilford, VT to discuss their level of training. This would be most important in an emergency when the BOH's could communicate with each other with the WebEOC.
5. FRCOG not responsible for standardization of member local BOH's. Beth will talk to agents about grant writing.
6. Jerry will put request to Selectboard in an email to address substance use disorders.

Meeting adjourned at 8:30 with motion from Marcia and second from Jerry. Minutes will be submitted for posting after approval.

Respectfully submitted
Elizabeth Kuzdeba, Chair
