Commenced at 5:05 pm. Details to join were posted

1. Minutes from February meeting and amendment to December minutes were approved with motion from Beth and a second from Marcia. Marcia must leave meeting at 5:30 due you previous commitment.
2. BOH fiscal year budget will be determined with help from Randy after getting information from previous years from town accountant.
3. Camp Lion Knoll has applied for a bathing beach permit. Randy is working with their new executive director. They wish to open for June of this year. Randy will handle the recreation camp inspection as it is very long. Updates to follow
4. The board decided to deal with the issue of reclassification of health personnel to group two on an individual basis vs a group basis. Each BOH member could then participate or not.
5. COVID eligibility and vaccination updates were mailed to Leyden residents sixty and older. Unfortunately, the list that Beth has is several years old. The town clerk will provide an updated list after the street listings is completed.
6. Regarding food insecurity in Leyden. On Fridays, seven days of breakfast and lunch is delivered to town offices from Pioneer Valley school district. Requests for food can be made to municipal assistant, Michelle Giarusso. This is open to all residents not just students.. Marcia is interested in a pantry in town and will look into it further. Anna Meyer was in the newspaper regarding a refrigerator in Shelburne Falls. She could be a resource.
7. There was no further business. Concern from Beth regarding BOH members in future. Marcia is up for reelection, don't know if she is running again. Carol's spot was a one year appointment and she may look to Selectboard for that again this year.
8. Next meeting will be Tuesday April 13 at 5:30 pm. BOH will continue to meet remotely as COVID is not resolved.
