

April 3, 2025

Leyden Board of Health

Meeting called to order 5:05pm

In attendance; Marcia Miller, Beth Kuzdeba, Devorah Vester

March minutes: motion to approve, Beth 1, Devorah2, all in favor

CPHS updates; check in with Randy/Kurt as to what regulations might be coming up. There are no "body art" places in Leyden at this time so possibly that would be one to look at.

Naloxone; the box at the town offices has 5 in it as of today. Devorah will check the one at the town hall and fill out the report and send it in to Maureen.

With more interest in CPR and first aid, Beth will investigate having a refresher course possibly this fall.

With the remaining money in our budget, we will purchase more tick coupons and think about other ways to benefit the town.

Motion to have Beth take over the chair and Marcia to become the secretary of the BOH effective immediately; MM1, DV2, all in favor.

Beth will be the delegate for the CPHS oversight committee. Devorah is interested in learning more and will attend and vote in the absence of Beth or Marcia.

Marcia will continue to be the liaison to the Emergency Management committee.

There are unanswered questions regarding the 107 Brattleboro property. Beth will email Randy those questions.

Motion to adjourn, MM1, DV2, all in favor.

Meeting adjourned at 6:08pm

Submitted:

Marcia Miller

Approved; Motion1 , motion 2 ,
