

TOWN OF LEYDEN

Meeting Minutes

Selectboard with our questions and concerns. FRCOG will help draft the letter. We are waiting on MAHB to come up with information regarding regulations on BESS. The Conway BOH drafted a letter to their Selectboard that we will review and make changes as needed. We will bring this back to our next meeting. Beth will email the chair of the planning board regarding our questions and concerns regarding BESS that will be sent to the Selectboard. We will investigate having an information session presented by the FRCOG agents on behalf of the BOH. We will have "special invites" to different boards.

Review of BOH duties and responsibilities: Agenda item 5
Beth provided a checklist (exhibit A) for us to use as guides.

Public comment: Agenda item 6
None

Old Topics:
Leyden Regulations:
On the books; Tobacco, Septic and Wells. These can be found in our files under "Hearings and Regulations".
Beth sent an email to FRCOG as to what ones may need updating. They are looking into it.

Adjourn:
Motion made by Marcia
Second: Devorah
Vote: Unanimous

Meeting adjourned at 6:40pm

Submitted by: Marcia Miller

CPHS updates: Agenda Item 2

*Nurses are now available to give the Covid 6 month vaccine booster at people's homes or in the office.

*Children camps are processing

*Title 5's are booked out until mid May

*Participating in a lot of trainings

*The new fee schedule will be posted on the website

*Paul Payer (zoning) is working on 581 W Leyden Rd issue

*Septic 101 presented by Kurt

Narcan updates: Agenda Item 3

Narcan freezes however it is still viable when thawed.

It should not be stored in hot weather (temps above 104)

Emergency box: take some out and replace when temps are cooler

It was noted that 2 lives have been saved in Franklin Co due the available Narcan boxes!!

BESS updates: Agenda Item 4

These permits are consolidated permits which require multiple boards having to "sign off" on. Helps to keep other boards informed when someone is applying. July 1st is the date to have a "point" board in place and October 1st is the deadline to have a designated board listed with the state. Currently the Planning board is the point in town. It is recommended that BOH and the Conservation Commission should both be given opportunity to provide input. It was suggested that the BOH send an email to the
