Commenced at 2:30pm

1. Read and approved July 2019 minutes.
2. Airbnb places in Leyden-discussion if we are aware of all of them in town-next meeting discuss when permits need to be renewed
3. Eversource - spraying herbicides on right of ways in some towns-closest town was in Ashfield. Roundup is not used.
4. 186 Glen Road: still waiting for new septic system to be installed-Randy will look into this.
5. BOH received information from Melinda Calianos about tobacco regulations. The governor also just banned vaping products for four months. BOH will review materials and work on town regulations at the next meeting.
6. EEE-Leyden moved from low to moderate risk. Efforts to notify the public via e-mail and the road sign were done. Discussion to hopefully get a reverse 911 set up in Leyden. Beth will write up a notice for the Leyden Life detailing how horses can be vaccinated for EEE.
7. Camp Lion Knoll inspection report from the Dept of Public Health-Randy will review and plans will be set for next season. Selectboard will write a letter to the BOH and outline what the town needs from the camp.
8. Beth will attend training on Oct 5: Annual MAHB Western Mass Certificate Program
9. Lisa White will host flu clinic at the café on Sunday, Oct 27.
10. BOH members will complete the 'conflict of interest law' training and give Michele their certificates
11. Beth will attend the CPHS meeting Thursday, Sept 26.
12. Martha Hopewell, 174 Kately Hill Road, asked for guidance with putting a bedroom above her garage.
13. Discussed details regarding the move to PRES.
14. Michele detailed her job description as municipal assistant.
15. Next meeting will be scheduled for November or December 2019, in the evening at PRES. BOH will meet earlier if necessary.
16. Sorted through mail and filing was done.
