

LEYDEN BOARD OF HEALTH MINUTES FOR MEETING ON WEDNESDAY NOVEMBER 3, 2021
AT 6PM
MEETING AT TOWN OFFICES

Attending. Marcia Miller. Carol Kuzdeba. Beth Kuzdeba and Randy Crochier, FRCOG Health Agent

Commenced at 6:10 pm
Details to join were posted

1. Minutes from 9/9/21 and 10/5/21 were approved with motion from Marcia and second from Beth.
2. Kyle Dragon's proposal for Animal Control Officer for Leyden will be presented to the Selectboard at their meeting on 11/15/21. With our police force in disarray, this service is greatly needed.
3. CPHS minutes and meetings are posted at the website FRCOG.ORG and meetings are once monthly. Any member of the board is able to attend. Beth is the Leyden BOH representative for the CPHS.
4. Lifepath/AARP will be sending out a survey for the Age Friendly Community planning after the holidays. This also works in conjunction with the Municipal Vulnerability Preparedness Plan that our Municipal Assistant is coordinating. Climate change and our residents ability to react to that go hand in hand. Does any department in Leyden have a bulk rate mailing function? That would help in sending surveys. Beth will check on that.
5. Beth has been setting up any area of resource materials for our residents that pertain to health, septic systems, PFAS, and mosquitoes and ticks. She has master copies on the shelving units if needed.
6. Mask mandate will stay in place at this time. Not one member disagrees with it.
7. BOH is going over chromebooks to understand all their functions.
8. Homebound program for COVID shots is available by FRCOG nursing staff. Residents can call there or member of BOH.

Meeting adjourned at 7:40 pm with motion from Marcia and second from Carol.

Thank you
Elizabeth Kuzdeba. Chair
