

WHERE TO BEGIN? *WHEN FOREST CONDITIONS DON'T MATCH YOUR GOALS*

**WOODS WALK – WINDSOR, MA
SUNDAY, APRIL 26, 10 AM – NOON**

Meet at 5 Route 9, Windsor, MA - "Dalton Hardwood"

Farmer & landowner Dicken Crane, Board Chair of the Woodlands Partnership, will host guests for a walk at his 100-acre woodland in Windsor, MA, with Vermont forester Ethan Tapper. Join us for this discussion about the challenges of managing a site that had been "high-graded" for decades, and how to chart a strategy for forest health and resilience. Register by April 24: Email bwarrington@newenglandforestry.org

Please join the Woodlands Partnership of Northwest Massachusetts for this next event in the "How Do Forests Grow?" series! Ethan Tapper is award-winning author of "How to Love a Forest."
