

**Leyden Selectboard
Leyden Town Hall
Minutes
July 6, 2017**

Selectboard Members Present: Jeff Neipp, Lance Fritz.

Others Present: Bob Hardesty, Dave Brooks.

Call to order 9:00am.

Selectboard Meeting Schedule

The Board discussed changing the meeting schedule from Thursdays to Mondays so as to not interfere with the FRCOG information sessions and the Selectmen's Association meetings.

MOTION: Jeff moved to change Selectboard meeting days from Thursdays to Mondays starting in September. Unanimous.

The Board also agreed to meet only on warrant days in August - the 10th and the 24th. September meetings will return to every week, on the first four Mondays.

Highway Update

Dave presented the Board with the CH 90 request form for Greenfield Rd. for signatures. He's planning for some time during the first two weeks of August. Although, he's heard that Lane is booked until September. He will take some of the milling to mix with gravel for the dirt roads.

After our FY18 CH 90 money is appropriated, we will have about \$200,000 available. Greenfield Rd. will take about \$168,000 and the guardrail project on Brattleboro Rd. will take about \$18,000. We'll then have \$20,000 banked.

Jeff said that he would like work out some arrangement for Highway and Fire to both use the Town diesel. Dave explained that in the past, he would give the Fire Dept. a copy of the invoice and ask them to pay a small share. That worked for a while, then Cliff refused to pay their share. Discussion. After discussion, all agreed that the Fire Dept. should use a clipboard and keep a record of the amount of diesel that they use, and pay part of the invoice. Dave said he certainly be willing to give it try. The Board will consider adding to the Highway budget next year to compensate for the Fire Dept. use of the diesel.

Town Hall Porch Roof

Dave also reported that a portion of the roofing on the Town Hall porch is coming off. Discussion. The Board suggested calling Erik Johnson and Jim Baker to see if they would be interested in doing the repair work.

Year End Transfer for Selectmen's Supply/Equipment Account

MOTION: Lance moved to transfer \$200.00 to the Selectmen's Supply/Equipment account, as recommended by Tracey. Unanimous.

ADJOURNMENT

MOTION: Jeff moved to adjourn. Meeting adjourned at 10:20am.

Respectfully Submitted,

Robert Hardesty
