**PVRSD Superintendent Position**

Michele Giarusso reported that the School Committee changed the District Superintendent's job description from part time to full time. FINCOM feels that the decision should have been made at reposted and re-advertised meeting. This could have resulted in more qualified applicants. Discussion. FINCOM and BOS agreed to send an e-mail to all the School Committee Chair, Pat Shearer, and copy all members and all Town Selectboard members. The e-mail should ask for attention to this situation.
