

**Leyden Select Board  
Leyden Town Offices  
Special Meeting Minutes  
May 17, 2022  
4:00pm**

**Select Board Members Present:** Bill Glabach, Erica Jensen

**Others Present:** Michele Giarusso, Bill Brooks

Bill called the meeting to order at 4:00 pm.

Bill Brooks stated Colrain is planning on paving their side of the 10 mile bridge on Monday, May 23. There have been so many layers of black top put on that water is pooling on the bridge. Bill would like to have BDM mill right near the bridge this Thursday to create better swales so water can wick off. He would also like to mill under the guard rails a little so the water will flow away. He has BDM on standby for this Thursday. The estimate to mill is \$5500-\$7500 and Bill has in his budget. He has contacted the highway boss in Colrain to get his permission. The highway boss said he would get permission from the Administrator and Select board.

**Motion:** Erica moved to have Bill Brooks mill the 10 mile bridge as long as Colrain is in agreement. Bill seconded. Unanimous.

**Motion:** Bill moved to adjourn at 4:20pm. Unanimous.

Respectfully submitted,  
Michele Giarusso  
Municipal Assistant
