

Have symptoms? Been exposed?

# COVID TESTING

## in Franklin County

### PCR testing options now:

- CVS & Walgreens—sign up online
- Mail-in PCR testing is available at no cost to all eligible Massachusetts adults who: are experiencing symptoms, have recently been in contact with someone with COVID-19, live or work in a congregate setting, or who have otherwise been recommended for testing. More information at [frcog.org/covid](http://frcog.org/covid) or at [www.ondemand.labcorp.com/ma-testing](http://www.ondemand.labcorp.com/ma-testing)

### Where to find no-cost rapid tests:

- Private insurance, MassHealth, and Medicare now cover rapid antigen tests to have at home (up to 8 tests/4 boxes per person each month).
- Private insurance may allow online orders or reimburse the cost of test kits from a receipt. Check with your insurance company about coverage.
- If you have MassHealth or Medicare, use in-person pharmacy pick up:
  - Go to the pharmacy, where they will create a "prescription" to bill MassHealth or Medicare directly. This process may take awhile.
  - Do this at: Big Y, CVS, Rite Aid, Stop & Shop, and Walgreens.

### Don't Toss Those Tests Out!

- The shelf life of most rapid tests has been extended by the FDA, as manufacturer's evaluate how long rapid tests are effective.
- Before you throw out your 'expired' rapid antigen test, check the FDA's list of each test kit type and its expiration date extension. The list is available on [frcog.org/covid](http://frcog.org/covid)

An up-to-date list of where to get a COVID test or vaccine in Franklin County can be found at:
