The PRES Cafeteria

Please come by the PRES Cafeteria on this coming Tuesday night. Bring your questions and concerns about PRES.

- Please know that the FY19 Budget does include PRES
- The budget will be voted on next Thursday night, 7:00pm at PVRS
- Presently there is discussion about preschool being at BES
- There is discussion of classroom grade configuration changes

A process that includes your voice is important to know and understand what it might mean if PRES closes in the future or remains open.
