Here's how it works:

You can call the BFC **Curbside Pickup Hotline (802-246-2800)** and speak with one of our friendly Co-op staff members who will assist you in selecting up to 12 available items from anywhere in the store. We will do the shopping for you and then call you with your purchase total. Please have a credit card ready for payment processing over the phone at that time. We will keep your food cool and safe until you arrive, however we ask that you pick-up your order within one hour of payment processing for **same day pickup**, and when you arrive ***please stay in your vehicle***. A staff member will place your order in your trunk, bed, or hatch. *If you are ordering beer and/or wine, you must be able to present valid ID showing your age to be 21+.*

**\*Next Day Pickup:** Call order in from Noon-2pm for pick-up the following morning. You will be called for payment info beginning at 9am, and then come pick up your order.

*Current exclusions include Deli. However, we do have many bulk items available (being pre-packed by our staff)*

Please note that this is a pilot project and a service for our community through these trying times. While it won't be perfect, it will help support those folks that need some groceries each day. Please have forbearance with us, and flexibility, as we make our way through this process.
